The image is the cover art for the video game 'Kung-Fu Master'. It features a traditional Chinese architectural setting with a red building and a balcony. On the balcony, a green dragon is breathing fire, and a man in a blue uniform is visible. Below the balcony is a large red sign with the title 'KUNG-FU MASTER' in yellow, stylized, block letters. In the center, a black sign reads 'Licensed by DATA EAST'. The main scene shows two men in blue uniforms in a sparring pose on a wooden floor. One man is in a low, defensive stance while the other is performing a high kick. A yellow diagonal banner in the bottom left corner contains the text 'NOW ON THE PS2'. The Activision logo is at the bottom center.
